

The next MAC event will be on **29 November from 11:30 TO 14:30**, at the European Parliament in Brussels, hosted by

[MEP Frieda Brepoels](#)

, and will be a special
roundtable

on "

Briefing on the European Partnership for Action Against Cancer (EPAAC)

".

The purpose of this meeting is to inform and update on the progress of EPAAC (www.epaac.eu) and its main technical work packages, by the European Commission, Slovenian coordinators, and Work Package Leaders, in order to exchange ideas on how policymakers at the national and regional levels can help implement EPAAC's aims.

All MAC events are free but for reasons of space and participation relevance, advance registration for approval is required. Interested? Please register here: <http://www.europeanparliament.eu/mac/mac-events.html>
